GoA

2020 Annual Conferer

December
-8, 2020

2020 年度大會

www.goap-global.com

Mission

1. Promote globalization of Asian companies by sharing localization best practices
2. Promote and advance the development and utilization of language technologies in Asia
3. Facilitate Asian companies' entry into European and the North American and international markets
4. Promote and facilitate Pan Asian collaboration of language companies
5. Foster partnership and local support between European and North American companies and international companies doing business in Asia
